Dear Hiring Manager,

It is my pleasure to recommend Patricia Kirk for employment with your organization. I have known Patricia for many years during which time she worked for me as a freelance writer for *Urban Land Magazine*, covering the real estate, land use, and financial sector industries.

I was consistently impressed with Patricia's attitude and productivity and her ability to delve into any topic with such thorough research that her articles soon became major cover stories within the magazine. Patricia is very diligent in fact finding and in interviewing major players in the land use industry such that her articles always presented a fresh and creative take on topics we were covering.

Patricia is both very bright and driven, with the ability to turn any topic into a good read. She is an accomplished writer who is willing to take risks, reaching out to people and involving them in her projects.

I recommend Patricia without reservation. I am confident that she will establish productive relationships with your staff and constituents. Please let me know if you need any additional information about this remarkable woman.

Sincerely,

Kristina Kessler
